

## NEW VISITATION GUIDELINES

- Visitation is now allowed for all residents; no advanced scheduling is required.
- Visitation carries a risk of contracting or spreading COVID-19 infection.
- All visitors are encouraged to become vaccinated against COVID-19.
- A well-fitted face covering, or mask must be worn while in the facility, regardless of vaccination status.
- All visitors will be screened for symptoms (fever, sore throat, runny nose, cough, shortness of breath, muscle aches, diarrhea) and have a temperature check prior to entering the facility.
- Any visitor with symptoms, a temperature greater than 100 degrees F, or exposure during the past 14 days will be asked to leave the facility.
- All visitors will be asked to sign an informed consent and release form for the visit.
- Visitors may be asked about their vaccination status. Unvaccinated visitors will be offered and are encouraged to be tested for Covid-19.
- All visitors will be asked to limit their movement within the facility to the resident's room or designated space throughout the visit (e.g., reduce walking the halls, avoid going to dining room, etc.).
- All visitors are asked to limit physical contact with anyone other than the resident while in the facility.
- All visitors are advised to monitor for signs and symptoms of COVID-19 for at least 14 days after exiting the facility. If symptoms occur, visitors are advised to self-isolate at home, contact their healthcare provider, and immediately notify the facility of the date they were in the facility, the individual(s) they are in contact with and the locations within the facility they visited.
- All visitors are requested to wash their hands frequently with soap and water or use hand sanitizer during the visit.
- Facility may stop any visit or visits if it is believed that the visit or visits are not in the best interest of the resident or community.
